Page 2

There is a reason. Page 1000

A demon used to represent Valentin Morgan's army

Page 3

Valentin's father told that going into their kingdom is equivalent
not of country's intelligence, almost equivalent to actually
"Morgan's Mission" but I thought "country" means their army

Page 4

The letter. It was referring to Morgan's unknown son

Agave is a kind of important demon's vessel

Page 5

Black Day. Since this is events after Valentin's death, it's
it's about how much the girl knew about Valentin's death
of the to show how much she
the truth right. Page is reading Valentin's diary
